

S A F E T Y

is our priority.

COVID-19 SHOWING GUIDELINES

Before

- Showing agent, buyers, and sellers will monitor their health for possible symptoms (ex: fever, shortness of breath, or cough). If any symptoms are present the showing will be cancelled.
- If owner-occupied and when possible, the property will be sanitized, lights turned on, blinds opened, and doors opened by the seller.
- If vacant or used intermittently by owners or rental guests, the property will only be shown if in a clean, sanitized condition.

During

- All showing participants will sanitize their hands before entering the property and refrain from touching surfaces while keeping a distance of 6 feet between others.
- We are requesting the use of masks, gloves and the removal of shoes.
- Tours will be limited to 4 people, including the showing agent. If more buyers are present they will wait outside of the house to enter until others exit.

After

- Showing agent will wipe down the door handles and lockbox upon exiting. If the property is vacant all lights will be turned off and doors closed. All touched surfaces will be sanitized when possible.
- All wipes and safety coverings will be collected in a garbage bag and disposed of off site.
- Showing agent and buyers will sanitize hands.
